"The **Liars and Cheats Pack** gives players a lot more of what they love about **Red Dead Redemption**," said Sam Houser, Founder of Rockstar Games. "By building out Free Roam even further and continuing to offer new competitive multiplayer modes, we're ensuring our community always experiences an open world that's vibrant and alive with fresh content."

The **Liars and Cheats Pack** now includes the previously announced **Free Roam Pack**. With content for both competitive multiplayer and Free Roam, the add-on pack features a wide array of new gameplay mechanics, weapons and locations, including:

- New Achievements and Trophies.

The Explosive Rifle also brings its deadly devastation to the single-player campaign of the hotly anticipated **Undead Nightmare Pack**. Also coming to the **Undead Nightmare Pack** arsenal, is the **Legends and Killers Pack's** lethal projectile Tomahawk. Both weapons will be available in the **Undead Nightmare Pack** exclusively to those who have downloaded the **Legends and Killers Pack** and the **Liars and Cheats Pack**.

The **Liars and Cheats Pack** is available now in North America and Europe for download on both PlayStation Network (\$9.99) and Xbox LIVE (800 Microsoft Points).
