“The last two years have been full of focus and passion from an incredible team at Visual Concepts who set out to create a WWE experience that delivers what fans have been asking for,” said Greg Thomas, President at Visual Concepts. “**WWE 2K22** and all its achievements are a direct result of this team’s energy and hard work on building a massive game with a long and storied history. I’m very proud both of what we have been able to accomplish with this release, and what it signifies for the bright path ahead for the **WWE 2K** series.”

### Game Modes Galore

**WWE 2K22** features the return of several popular game modes, as well as the introduction of several new additions:

- **2K Showcase Starring Rey Mysterio:** Players will relive the iconic moments behind Mysterio’s most famous matches spanning his 20-year WWE career and beyond. Documentary style interviews with Mysterio frame each match, and new Slingshot Tech allows for a seamless transition from gameplay to live-action footage as players complete objectives to live out some of his most iconic historical moments;
- **MyGM:** In this new, fan-requested mode, players will select one of five GMs or create their own, draft a roster, manage budgets, sign free agents, choose various match types, arena locations, production elements and more, with the goal of beating a rival GM in weekly ratings battles and culminating at WrestleMania;
- **MyFACTION:** A new, single-player take on a classic team-building mode in which players collect, manage, and upgrade an array of WWE Superstars and Legends to create their ultimate four-person factions. Managers and Side Plates boost performance, while Logos, Wallpapers, and Nameplates allow for creative customization. Additional rewards can be earned in

every MyFACTION sub-mode, including Weekly Towers and Faction Wars, where exciting, limited-time rewards refresh on the first of every month. New themed card packs will also roll out frequently, offering players a legion of current Superstars and beloved Legends to add to their collections;

- **MyRISE:** Players chart their own paths to superstardom, from the humble beginnings of a Rookie at the WWE Performance Center to the challenge of becoming a Superstar, to being immortalized as a WWE Legend. With unique men's and women's division storylines available, players will encounter an array of WWE Superstars and Legends as they embark on the journey;
- **Universe:** Offers players the ability to fully customize their WWE experiences down to the smallest details. From taking control over brands, premium live events, match results, rivalries, and more, Universe includes both the Classic and Superstar sub-modes. In Superstar Mode, players follow their chosen Superstar through matches each week, develop rivalries, start a tag team, create a custom match, compete in a championship match, and more;
- **Creation Suite:** The industry-leading creation suite returns with all new cross-platform community creations, a featured creator section that highlights players and their content, community creation upvoting, a Create a Superstar wizard for quicker creation, and more. Players can create themselves or be someone entirely different with a myriad of in-depth options to choose from.
