Details of the Tender Offer:

The Tender Offer will expire at 5:00 p.m., New York City time, on June 16, 2023, unless extended or earlier terminated by the Company (the "Expiration Date"). Holders of the Notes must validly tender their Notes at or before 5:00 p.m., New York City time, on June 1, 2023, unless extended (the "Early Tender Deadline") in order to be eligible to receive the Total Consideration (as defined below), which includes the Early Tender Premium (as defined below). Tenders of Notes may be withdrawn at any time at or prior to 5:00 p.m., New York City time, on June 1, 2023 (the "Withdrawal Deadline"), but may not be withdrawn thereafter except in certain limited circumstances where additional withdrawal rights are required by law.

The consideration paid in the Tender Offer for Notes that are validly tendered and not validly withdrawn at or prior to the Early Tender Deadline and accepted for purchase will be determined in the manner described in the Offer to Purchase by reference to a fixed spread over the yield to maturity (the "Reference Yield") of the Reference U.S. Treasury Security specified in the table above and in the Offer to Purchase (the "Total Consideration"), and includes an early tender premium of \$50 per \$1,000 principal amount of the Notes accepted for purchase (the "Early Tender Premium"). The Reference Yield will be determined at 10:00 a.m., New York City time, on June 2, 2023, unless extended by the Company (the "Reference Yield Determination Date").

Holders of Notes who validly tender their Notes after the Early Tender Deadline but on or prior to the Expiration Date will only receive the Total

Consideration minus the Early Tender Premium (the "Tender Offer Consideration") per \$1,000 principal amount of any such Notes tendered and not validly withdrawn by such holders that are accepted for purchase.

The Company reserves the absolute right, but is under no obligation, to increase, decrease or eliminate the Tender Cap at any time, which could result in the Company purchasing a greater or lesser aggregate principal amount of the Notes, and the Company may do so without extending the Early Tender Deadline, the Withdrawal Deadline or the Expiration Date, subject to compliance with applicable law.

If the Tender Offer is not fully subscribed as of the Early Tender Deadline, subject to the Tender Cap, Notes validly tendered and not validly withdrawn on or prior to the Early Tender Deadline will be accepted for purchase in priority to Notes validly tendered following the Early Tender Deadline, subject to the satisfaction or waiver of all conditions to the Tender Offer. If the Tender Offer is fully subscribed as of the Early Tender Deadline, holders who validly tender Notes following the Early Tender Deadline will not have any of their Notes accepted for payment. Notes may be subject to proration if the aggregate principal amount validly tendered and not validly withdrawn exceeds the Tender Cap. Payment for Notes that are validly tendered prior to or at the Early Tender Deadline and that are accepted for purchase will be made promptly following the Early Tender Deadline (the "Early Settlement Date"). The Early Settlement Date is anticipated to be June 5, 2023, unless extended by the Company, assuming all conditions to the Tender Offer have been satisfied or waived by the Company. Payment for Notes that are validly tendered after the Early Tender Deadline and prior to the Expiration Date and that are accepted for purchase will be made promptly following the Expiration Date (the "Final Settlement Date"). The Final Settlement Date, if any, is anticipated to be June 21, 2023, unless extended by the Company, assuming all conditions to the Tender Offer have been satisfied or waived by the Company.

No tenders will be valid if submitted after the Expiration Date. Payments for Notes purchased will include accrued and unpaid interest (rounded to the nearest cent) on such Notes from and including the most recent interest payment date for the Notes up to, but not including, the Early Settlement Date or Final Settlement Date, as applicable.

The Tender Offer is not conditioned on any minimum principal amount of Notes being tendered. The Company's obligation to accept for payment and to pay for the Notes validly tendered and not validly withdrawn in the Tender Offer is subject to the satisfaction or waiver of a number of conditions described in the Offer to Purchase. The Company reserves the absolute right, subject to applicable law, to: (i) waive any or all conditions to the Tender Offer; (ii) extend, terminate or withdraw the Tender Offer; (iii) increase, decrease or eliminate the Tender Cap without extending the Early Tender Deadline, the Withdrawal Deadline or the Expiration Date, which could result in the Company's purchasing a greater or lesser aggregate principal amount of the Notes; or (iv) otherwise amend the Tender Offer in any respect.

None of the Company or its affiliates, the board of directors of the Company, J.P. Morgan Securities LLC, (the "Lead Dealer Manager"), Wells Fargo Securities, LLC (the "Co-Dealer Manager" and, together with the Lead Dealer Manager, the "Dealer Managers"), D.F. King & Co., Inc., the information agent and tender agent, or The Bank of New York Mellon Trust Company, NA., as trustee under the indenture pursuant to which the Notes were issued, is making any recommendation as to whether holders should tender or refrain from tendering all or any portion of the principal amount of their Notes in the Tender Offer, and no one has been authorized by any of them to make such a recommendation. Holders must make their own decision as to whether to tender any of their Notes, and, if so, the principal amount of Notes to tender. Holders should consult their own tax, accounting, financial and legal advisers as they deem appropriate regarding the suitability of the tax, accounting, financial and legal consequences of participating or declining to participate in the Tender Offer.

The principal purpose of the Tender Offer is to acquire the Notes in an amount up to the Tender Cap using cash on hand, including part of the net proceeds from the Company's April 2023 \$1.0 billion senior notes offering. The Notes that are accepted in the Tender Offer will be purchased by the Company and retired and cancelled and will no longer remain outstanding obligations of the Company.
