Multi-Table Tournaments, where players start at multiple tables and compete until one player amasses all the chips, are a popular format for live, televised, and online tournaments with large prize pools. Known for his quick wit and larger-than-life personality, Riggle brings his signature humor in a new live-action trailer that transports him to high-stakes poker tables around the world to compete with the fiercest competitors.

"Poker is about the thrill of competition and excitement of going all-in," said Riggle. "The feeling of sitting down at a poker table never gets old and with *Zynga Poker's* Multi-Table Tournaments, players can challenge anyone in the world, build stacks, and crush their opponent's dreams for ultimate bragging rights."
