“***Mafia: The Old Country*** is a focused, linear experience that combines quality storytelling, authentic era immersion and a refined take on the familiar *Mafia* gameplay,” said Hangar 13 President Nick Baynes. “That focus allows us to deliver a story that’s gritty, grounded, brutal and emotional. Embracing early 1900s era Sicily, this is a mafia origin story that follows our protagonist, Enzo Favara, as he takes the oath and works his way up Don Torrisi's crime family.”

Loyalty, honor and obedience - these qualities are what set Enzo apart from the rest. His journey in the new gameplay trailer features action through both melee and gunplay, mobility through both era-appropriate vehicles and horseback, all within the gritty yet vibrant backdrop of 1900s Sicily.
