

Take-Two Interactive Software, Inc. Ships Vietcong for The PC

March 26, 2003 8:09 AM ET

NEW YORK, Mar 26, 2003 (BUSINESS WIRE) -- Take-Two Interactive Software, Inc. (NASDAQ:TTWO) today announced that its Gathering division has shipped Vietcong (TM) for the PC. Published by Gathering and developed by Illusion Softworks in association with development team Pterodon, Vietcong is an intense first-person shooter which is now available in North America and will be available in Europe on April 11th.

"Vietcong transports players to the Southeast Asia battleground through stunning graphics, intense sound effects and complex missions," said Kelly Sumner, President of Gathering. "This action-packed title will have players riveted as they navigate the varied terrain and constant threat of the jungle war zone."

Additional information about Vietcong is available at www.vietcong-game.com.
