(NASDAQ: TTWO), today announced that Vietcong 2 -- the highly anticipated PC sequel to Vietcong -- is now available in retail stores in North America. Vietcong 2 will be in retail stores in Europe on October 28.

The second installment in the popular Vietcong series, Vietcong 2 is a first-person shooter featuring competitive multiplayer for up to 64 players and co-op play for up to eight players. In the game, players battle across the ancient city of Hue, engaging in gritty, urban combat while utilizing more than 50 authentic weapons.

"Vietcong 2 is an excellent addition to the Vietcong franchise," said Christoph Hartmann, Managing Director of 2K Games. "The new multiplayer features, dual campaigns and urban environments will please both fans of the series and newcomers alike."

And for the first time in the Vietcong series, Vietcong 2 contains two story-based single player campaigns, allowing players to experience both sides of the conflict first-hand.

"Vietcong 2 captures the essence of the Vietnam War," said Jarek Kolar, lead game designer, Pterodon. "With Vietcong 2, the visceral experiences of this historic conflict truly comes-to-life."

Key Features:
