NEW YORK--(BUSINESS WIRE)--May 14, 2003--Rockstar Games, the world-renowned publishing division of Take-Two Interactive Software, Inc. (NASDAQ: TTWO) is proud to announce Manhunt, the next project from Rockstar North, the developers behind the global blockbuster Grand Theft Auto franchise.

Manhunt will be available for the PlayStation(R)2 computer entertainment system and is expected to hit retail shelves in North America in Fall 2003.

Manhunt will continue in the tradition of world-class gameplay, incredible production values, and sardonic sense of humor that has become synonymous with Rockstar North. Details surrounding the game remain shrouded in secrecy. To date, Rockstar has only admitted this: Manhunt explores the depths of human depravity in a vicious, sadistic tale of urban horror.
