

Gathering Ships Space Colony; Space Age People Simulation/City Builder Game Now Available for PC

October 15, 2003 8:17 AM ET

NEW YORK, Oct 15, 2003 (BUSINESS WIRE) -- Computer and video game publisher Gathering, a subsidiary of Take-Two Interactive Software, Inc. (NASDAQ: TTWO), today announced that Space Colony(TM), a people simulation, 3D building strategy game, has shipped.

Space Colony invites PC pioneers to establish and build cosmic settlements and manage a dysfunctional crew of 20 characters while fighting off alien attacks and attempting to make a profit. Developed by Firefly Studios, Space Colony is available for the PC at a suggested retail price of \$39.95 and is rated "T" for Teen by the ESRB.

"The simulation game genre has remained incredibly popular, especially with female and casual gamers," said Mike Wilson, Executive Vice President of Artists and Repertoire at Gathering. "Firefly takes this genre one step further by combining it with smart humor, a unique storyline and real-time strategy building to create a distinctive and groundbreaking title. We view Space Colony as a bridge that will connect mass consumers with more intricate gaming."

Firefly Studios is the creative force behind the million-selling Stronghold series. Screenshots and more information on Space Colony and other Gathering titles can be found at www.Gathering.com.
