

Grand Theft Auto: Chinatown Wars Now Available for the Nintendo DS(TM)

March 17, 2009 8:02 AM ET

NEW YORK--(BUSINESS WIRE)--Mar. 17, 2009-- Rockstar Games, a publishing label of Take-Two Interactive Software, Inc. (NASDAQ: TTWO), is pleased to announce that ***Grand Theft Auto: Chinatown Wars*** is now available in stores across North America, and will be available in Europe on March 20. Developed by the award-winning studio Rockstar Leeds in conjunction with series creator Rockstar North, ***Grand Theft Auto: Chinatown Wars*** is available exclusively for the Nintendo DS™.

"Our teams set out to create the most massive and intense action experience on the DS," said Sam Houser, Founder of Rockstar Games. "Rockstar Leeds has innovated on what the '*Grand Theft Auto*' series has stood for and the end result is something we're incredibly proud to share with our fans."

Grand Theft Auto: Chinatown Wars is an entirely original entry into the critically acclaimed *Grand Theft Auto* series, and brings a new level of interactivity to the world of Liberty City. Players will assume the role of Huang Lee, a member of the Chinese Triad crime syndicate who must navigate his way through the streets to uncover the truth behind an epic tale of crime and corruption.

Game Informer magazine wrote, "Working on a smaller platform isn't stopping Rockstar from thinking big. ***Grand Theft Auto: Chinatown Wars*** commandeers the Nintendo DS to deliver the same bombastic mix of humor, violence, and vehicular mayhem found on consoles." IGN.com said, "Believe me...this game is the business."

G4.com wrote, "To call ***Chinatown Wars*** feature-laden would be an understatement on par with calling glaciers slow...***Grand Theft Auto: Chinatown Wars*** hits the DS on March 17th and with it comes a whole new rap sheet for Nintendo's handheld...***Chinatown Wars*** looks pretty sick."

Official Nintendo Magazine recently reviewed the game, saying "With the arrival of ***Chinatown Wars***, the DS can now boast a *GTA* title that's every bit as compelling, impressive and fun to play as its home console cousins."

Grand Theft Auto: Chinatown Wars for the Nintendo DS is rated M for Mature by the ESRB. For more information, please visit www.rockstargames.com/chinatownwars.

Cautionary Note Regarding Forward-Looking Statements

This press release may contain forward-looking statements made in reliance upon the safe harbor provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The statements contained herein which are not historical facts are considered forward-looking statements under federal

securities laws and may be identified by words such as "anticipates," "believes," "estimates," "expects," "intends," "plans," "potential," "predicts," "projects," "seeks," "will," or words of similar meaning and include, but are not limited to, statements regarding the outlook for the Company's future business and financial performance. Such forward-looking statements are based on the current beliefs of our management as well as assumptions made by and information currently available to them, which are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict. Actual outcomes and results may vary materially from these forward-looking statements based on a variety of risks and uncertainties including: our dependence on key management and product development personnel, our dependence on our Grand Theft Auto products and our ability to develop other hit titles for current generation platforms, the timely release and significant market acceptance of our games, the realization of the anticipated benefits from our recent business reorganization, the ability to maintain acceptable pricing levels on our games, our reliance on a primary distribution service provider for a significant portion of our products, our ability to raise capital if needed, risks associated with international operations, the matters relating to the Special Committee's investigation of the Company's stock option grants and the claims and proceedings relating thereto (including stockholder and derivative litigation, actions by the SEC and/or other governmental agencies and negative tax or other implications for the Company resulting from any accounting adjustments or other factors) and risks associated with the Company's concluded process to evaluate its strategic alternatives including stockholder litigation arising therefrom. Other important factors and information are contained in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2008, in the section entitled "Risk Factors," as updated in the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended January 31, 2009, and the Company's other periodic filings with the SEC, which can be accessed at www.take2games.com. All forward-looking statements are qualified by these cautionary statements and apply only as of the date they are made. The Company undertakes no obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise.
